About Otto Energy:

Otto is an ASX-listed oil and gas exploration and production company with a regional focus on North America, focused on the Gulf of Mexico region near-term. Otto currently has oil production from its SM 71 oil field in the Gulf of Mexico and gas/condensate production from its Lightning discovery onshore Matagorda County, Texas. Development is underway at the Green Canyon 21 oil discovery in the Gulf of Mexico and testing of the Mustang discovery is also expected in the coming weeks. Cashflow from its producing assets underpins its growth strategy including an active exploration and appraisal program underway in the Gulf of Mexico region.
